----- For Immediate Release -----

WEST ROOFING SYSTEMS, KLEENWORK CONSTRUCTION PARTNER TO RE-ROOF CLEVELAND VETERAN HOME

Cleveland, Ohio (September 5, 2018) – West Roofing Systems, award winning Ohio commercial roof company and Kleenwork Construction, Elyria-based residential roofing company, will partner with Rebuilding Together of Northeast Ohio to supply a Cleveland area veteran with a new roof.

The companies will provide Paul Kijewski, 71-year-old Retired Navy Veteran, with a new roof on his Slavic Village home located at 6925 Harvard Ave. The project will start the morning of September 10, 2018 and will be completed within the week (weather permitting). Shingles and other building materials have been graciously donated by Roofing Supply Group and GAF.

"We believe in building the best for our customers and more importantly our community," said Jack Moore, President/CEO of West Roofing Systems. "We are honored to be able to help a military veteran who has devoted so much to our country."

Members of the media are invited to visit the jobsite on September 10 and 11 to see the work in progress and talk to team members and leaders on location. For interviews with Jack Moore, President/CEO of West Roofing Systems, or Keith Welch, Owner of Kleenwork Construction, please use the contact the information above.

"Kleenwork has participated in similar events in the past, anything we can do to give back is priority for our team" said Keith Welch, Owner of Kleenwork Construction.

Additional information about Rebuilding Together of Northeast Ohio can be found at rebuildingtogetherneo.org.
